Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Village of Kaser Section 8 Program has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of the Annual Plan is to provide a framework for local accountability and an easily identifiable source by which participants in the tenant-based assistance program and other members of the public may locate basic Section 8 Program policies, rules and requirements related to the operations, programs and services of the program.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will assure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Section 8 Administrative Plan is the primary policy on display. This important document covers the Section 8 program responsibility to owners/landlords, grievance procedures, HQS guidelines, annual recertification requirements, etc.

The most important challenges to be met by the Village of Kaser Section 8 Program during FY 2004 include:

- *Involving the Section 8 participants through the Annual Plan Resident Advisory Board.*
- *Training staff and commissioners to fully understand and take advantage of opportunities in the new law and regulations to better serve our participants and the community; and*
- *Provide voucher mobility counseling to new and current program participants.*

In closing, this Annual PHA Plan exemplifies the commitment of the Village of Kaser Section 8 program to meet the housing needs of the full range of low-income residents. The Village of Kaser Section 8 program, in partnership with agencies from all levels of government, the business community, non-profit community groups, and participants will use this plan as a road map to reach the "higher quality of life" destination for the Village of Kaser and Rockland County.
